Town Meeting Vote on School Committee Not Effective For Two Years -Aftermath of the Meeting-Funeral of Mrs. Frederick Shalling-Mail Transfer Contract Announced.

Although the voters of Stonington in town meeting assembled, voted on Monday evening to reduce the members of the school committee from six to three, the vote will not be in effect for two years, at least, or upon the expiration of the terms of E. Everett Watte is and Dr. John Bucklin in 1918. The terms of William A. Wilcox and Dr. Owen J. Dennehy will not expire for another year. The terms of Silas B. Wheeler and Lorenzo D. Fairbrother expire the present year. The term of school committeeman is three years. For the vacancies of the current year, each party has nominated candidates, and their names have gone forward to the secretary of state to be placed on the official ballot. The time limit for any change was passed be-fore the town meeting was held. Should these candidates be balloted for the change would not come for three years,

It is said that the printing of the there was no authority for such request, and farther that it could not be considered under state law. Put if the secretary of state should
